Welcome

This is the seventh annual DBCL Wild Game Dinner and Fundraiser. The first was held in February of 2006, 3 weeks after we obtained partial occupancy of the new clubhouse. It was a learning experience! In 2007, this event became the largest fund raiser in DBCL history. 2011 set a revenue record of \$44,000. This event is now accepted by almost every member as the biggest fundraiser in the club as well as it's premier social event. We hope you enjoy the food, the camaraderie and the auction and raffle items. We have continued to work to improve the event to give you the best evening possible.

There have been many changes at your club in the last six years. We now have a positive balance in the bank. We have new trap and skeet machines, built a short handgun range, made significant upgrades to our structures, drainage and ranges, paid off the last 10 acres we bought, acquired a new Skid Steer with attachments and rebuilt the 200 yard pit walls and berms. \$200,000+ of the money needed to pay for these projects came from these fundraisers. We have added new activities, continued to fund conservation and gun rights organizations and more. We have met all our financial obligations and have continued to give you, our members the best club of it's kind in the State.

Our work is not done however. Some future projects and investments for DBCL include:

- | | |
|--|--|
| A. Replace the roofs on the ranges | B. Repair/Replace the walls on running deer #1 |
| C. Repair the bridge & resurface the parking lot | D. Prepare for any new Land Acquisition |
| E. Replace the Caretakers House | F. Prepare for any legal challenge of DBCL's right to exist. |
| G. 5 Stand Sporting Clays Field | |

Let's use this Dinner and Fundraiser to help us with these projects. Thank you for coming. Eat well, enjoy your selves and bid on these great items.

I will again, ask for someone to take over as WGD & F Chairman. I started this event to give us a social evening, make us some money & give attendees opportunities to win excellent merchandise & trips. I believe it has succeeded. Anyone interested in taking over next year, see me. I'll help.
