SEASON RE-CAP

It was a really great season with lots of new shooters coming out to ding some iron!
We were lucky to get our matches in before the range was shutdown for the construction.
Plenty of groups have been forced to scrap there activities.

This year's winners of the Turkey Club drawings are:

Centerfire:

Rim Fire:

These winners will get a check for \$25.00. The balance of the proceeds will be used to rebuild our storage shelves in the barn. Our shelves were taken out when the new cement floor was poured.

Thanks to all of you who participated in the matches. Greg & I look forward to seeing you next spring!
