## **President's Corner** *MarySusan Diedrich*

### **From the Outgoing President**

Happy New Year!

This is my last article as President of the Daniel Boone Conservation League. It has been a privilege and an honor to represent the members of DBCL.

WE have accomplished so much over the past two years. OUR building is paid off. WE have made numerous updates to OUR ranges and buildings, and WE have increased OUR membership numbers. The WE I'm talking about is YOU the members of this organization. The volunteer work hours and donations are what have made me, the President, so proud to have served for you. Thanks for making my job easier.

Congratulations to John Kubichek, the new President of DBCL, Bill Robedeau, the new Treasurer and to Roger Scheel, new Board Member. Congratulations to Tim Steinke in your new position as 2nd Vice-President.

Thank you Al Benseman and John Edelblute for your years of dedication to the DBCL organization. Although you won't be there to give us your knowledge and guidance at the Board meetings, I know you will continue to share ideas with us.

**REMEMBER, the January 4, 2011 General Meeting starts at 7:00PM.** We will have the installation of officers and a light buffet to follow.

**NOTE:** The **scheduling meeting** that was set for January 10th has been cancelled.

## **HAPPY NEW YEAR!**

## **From the President Elect** *John Kubichek*

### **From the Incoming President**

It's been 6 years since I wrote this article as your President. It is amazing how the challenges have changed.

First, thank you to the members at the December meeting for trusting me enough to elect me.

Second, we should all offer a sincere THANK YOU to Mary Susan Diedrich whose two years in the chair were a resounding success. She put her heart and soul into the Presidency and the club is better off for it.

Third, a thank you to John Edelblute our departing Treasurer who has served in so many positions that it's hard to name them all. It was great to have an ally with fiscal knowledge and conservatism. I'll miss you.

Fourth, a thank you to Al Benseman for his years on the Board.

Congratulations to Roger Scheel who has returned to the Board and to Bill Robedeau who will be serving as our Treasurer as well as all the others that were reelected. I look forward to working with you and all the other Board members and Officers.

### **Now to business!**

When I took the chair in 1998 we had just purchased the Wittenberger Farm. We were in debt to our ears and few people knew how to deal with it. We adopted a plan that minimized the financial impact to our members, aggressively raised funds, expanded membership and paid down the debt quickly. Some debated that strategy but it's success was undeniable. When I served in 2004, we wanted a new clubhouse. I assembled a team including Scott Krueger and Scott Buehler and we concocted the wonderful building we enjoy today.

## **2011 AIM / Scholastic Clay Target Program** *Bruce Nelson*

I hope everyone had a wonderful holiday season. Its time to start thinking of the 2011 AIM/ SCTP season. On Saturday February 12th at 9:00 AM at the Daniel Boone club house we will have our sign up meeting at this time we will talk about the upcoming season and get everyone registered. The Scholastic Clay Target program in Wisconsin consists of three divisions starting in middle school thru high school to the age of 18 and still in high school. The AIM program also has a division for young adults that are 18 to 23 and in college and a division for young adults that are 18 to 20 and pursuing a career path that does not include Fulltime School. We evaluate all the youth under 12 to make sure our program is suited to their ability. We would also like to see that all the youth have taken a safety program like the hunter safety program and are very familiar with the shotgun they will be using if you have questions do not hesitate to e-mail me. I also wanted to let all of the Youths and their parents know that what ever skill level you are at you are welcome and you will be competing with other kids with the same skill levels. Our practices will be every other Saturday preferably in the AM but with other events that will be happening we will need to adjust where needed. Our season will run from February 12th 2011 to the end of July 2011.

E-Mail: [bruce.n@nelcoelectric.com](mailto:bruce.n@nelcoelectric.com)

P.S. Bring your Gun, shells, and shooting equipment if the weather permits we will try to shoot.

## January Bunny Hunt

If you missed the December bunny hunt don't forget the January hunt. It will be held on Sunday, January 16, starting at 8:00am and ending at 12:00pm.

Because all ranges will be closed until noon this will be a good time to see the parts of the club grounds that are closed the rest of the year. The clubhouse and bar will be open at noon for everyone to warm up and talk about the hunt.

Remember, you don't need to hunt. You can come out and see all of the club grounds, meet other members and have some fun.

Note: You must use shotguns only with number 6 shot or smaller.

If you have any questions please feel free to give me a call.

## From the President Elect

*continued from page 1*

I'm happy to say that the advent of 2011 brings no major crises. We should be out of debt by the end of February and there are only a handful of issues requiring immediate attention. I believe we should work for the following in the next year:

1. Replace the crumbling walls of running deer #1.
2. Study placement and then implement the short range berms.
3. Assess the condition of the bridge, driveway and parking lot and budget accordingly.
4. Prepare for any legal challenge of our right to exist so we do not have a Hartland Gun Club experience
5. Begin saving for possible key land acquisitions as they become available.

6. Plan and Budget for replacement of aging buildings, equipment and general expenses.

It's doesn't sound like that much fun but I think your Board and Officers will be equal to the tasks.

We want to keep DBCL the best club of it's kind in the State. That being said, YOU are the members! What do YOU want? What concerns do YOU have? Talk to us. Let us know. Help us! We'll work within the limitations we have to keep improving your club.
