**JULY 2011**

## **President's Corner** *John Kubichek*

In general, your club grounds, finances and future seem to be in good shape. We're spending more of your money than we would like but feel we have spent it wisely for items and services that should benefit our members. We still have a reserve for any land purchases that may present themselves and we have agreed to a new line of credit which will give us access to funds if we need them. Your Board has discussed the passing of concealed carry and will adopt some common sense rules concerning carrying firearms into the clubhouse and bar once we know the laws final form. Please observe these rules.

We still need the help of QUALIFIED PROFESSIONALS to finish some projects around the grounds including CONSTRUCTION MANAGERS OR ENGINEERS, CARPENTERS, MASONS, ELECTRICIANS, SKID STEER OPERATORS, LANDSCAPERS.

Call me if you can help.

### **Courtesy Toward our Caretakers**

Dan and Judy are doing an excellent job on our grounds. That being said, their HOURS ARE 8:00 am TO 6:00 pm. Unknowing or discourteous members have been ringing their doorbell earlier and later. LEAVE THEM ALONE AFTER 6:00 so they can live their lives! Next - directives to the Caretakers come from the President – not the committee chairmen or the 1,500 members. If you feel something should be done, contact the President who can then work with the caretakers to schedule work – DO NOT ask them yourselves. They are awesome people and should only have 1 boss – not 1,500. The Board will adamantly enforce this long standing policy!

### **Short Range Construction**

At the June meeting, members unanimously approved modifying the 50 meter range and the flat area southwest of the 200 yard range to construct a 7 to 12 yard short handgun range. The winning bidder has been selected and construction of the footings, walls, slabs and the grading will start sometime in July. Designs for the roof of this range have not been decided yet so the roof will probably not be erected until next year. PLEASE NOTE that both the 50 meter range and the 200 yard range will be closed at times during construction. Use the auxiliary range if the others are closed. There will probably be an emergency work day like last year to do final grading, seeding and finishing. Find out more at the July meeting.

### **Picnic**

Remember the DBCL Picnic on July 30th. BUY SOME RAFFLE TICKETS and show up for a nice afternoon with your fellow members. Chairman Ron Wesel and Mary Susan Diedrich are working hard to make this another successful event. THERE WILL BE A \$\$\$ PRIZE TO THE MEMBER SELLING THE MOST GENERAL RAFFLE TICKETS. Will you win it? We are also holding a SPECIAL CUSTOM AR-15 RAFFLE (This thing is Really Cool and is worth almost \$2,000) The order form which will be included in your Picnic Ticket mailing is included in this Powderhorn on page 3. Party On!

### **Video Archery** *John Kubichek*

Members voted to purchase a used Video Archery system at the last meeting. Watch the Powderhorn for participating OR RUNNING future Leagues and contact Scott Buehler if you can lend a hand.

## Atikwa Lake Trip *Jeff Turkel*

Just a reminder to all that are going, or thinking of going, to the Atikwa Lake fly-in August 22-26, make sure your passport is up to date. You will also need an outdoors card from their Ministry of Outdoors (like our DNR number). With the postal stike in Canada it is best ot get it over the border when you get your fishing license, instead of on-line. You will need to get these before you fly into camp. Any questions call me Jeff Turkal 262-246-3700, some questions can also be answered at Atikwalakelodge.com.

## Rifle Team Notes *John Kubichek*

Congratulations to the DBCL Rifle Teams who won both the indoor and outdoor rifle leagues and the 200 Yard State Hi Power Rifle Championship.

DBCL participates in the Southeastern Wisconsin Rifle League. Our Smallbore Rifle Team won the indoor .22 league which runs from October to March. The Hi Power Rifle Team won the outdoor 200 yard league fired from April to August. Ed Quebbeman won the smallbore league's top shooter award while John Kubichek won the Hi Power League. It proves that experience and fading vision can still occasionally beat youth and ability.

At the 2011 Wisconsin State Hi Power Championship held at DBCL on June 4th and 5th, DBCL shooters also took home the majority of awards. Andy Ladron won the State Championship with a score of 777 out of 800. Greg Miller won the Hi Master award and the DBCL #1 team of Andy, Greg, John Kubichek and Greg Ziegler shot a nice 1921 out of 2,000 to win the Team title.

## Trap & Skeet *Hank Golner*

**Important Safety Concern** – Please disarm trap machines before entering the trap house. There have been times when we have entered the houses and they are still armed – this can be a very painful experience for the next person to go in front of the house if it accidentally trips and sends out a bird.

Summer leagues are well underway. Even if you weren't able to join a team and shoot in the league, you can still come out and shoot a practice round from 5:00 p.m. until 8:30 p.m. either Wednesday or Thursday night. Last squad out at 8:15 pm.

**Trap Doubles** – Looking for something new and exciting to try? Join our new 24 bird trap doubles league. This individual league will be in conjunction with the regular trap season and will be a 10 week league starting June 15. Cost will be \$5 for members and \$7 for non-members with a \$5 registration fee per person.

**Practice All Year** – All members can be checked out on our equipment. This can be done on trap and skeet nights or by appointment. Once you are certified and have your card stamped, you can use the machines when the club is open and no league or special events are taking place. If you use our machines, remember you must purchase the clay birds from the caretakers for \$12.00 per box. Do not place any "pick-ups" in the machines. If you have any problems, let the caretakers or any member of the Trap and Skeet Committee know. Please clean up after yourself. Shoot safe and have fun!

## AR-15 League *Tom LaChe'*

Another fine day for a rifle match. Cool temperature and no rain.

There were 59 entries. The results are as follows.

- First place: Al Ade with a score of 15
- Second place: Dave Dubiski with a score of 15
- Third place: Jerry Stiglich with a score of 12

All three winners hit the reactive target.

Two man event: Tony Bleskan and Jack Jensen with a score of 16.

Thanks to all that participated and all the shooters that helped out with running the match. There were a few members that got first hand experience

running the equipment and got their cards stamped "RUNNING DEER". The next match will be held on July 17th from 11am till 2pm on our auxiliary range. Maybe it's time we rename it the AR Range.
