

DBCL New Member Information Document

Thank you for considering the Daniel Boone Conservation League!

As a non-member / prospective member, you may visit the club to tour the facilities between 8:00am and dusk any day of the week. You are not permitted to use the ranges. The caretaker or a range safety officer may approach you to find out what you are up to. Let them know you are visiting the club to tour the facility and that you are considering becoming a member. They can answer some questions that you might have. If need be, let them know that you have previously spoken with me, Steve Engel, about becoming a member. My preference would be for you to attend a new member safety briefing. We hold a new member range safety briefing on the 2nd Saturday of each month. A range safety officer walks and talks new or prospective members through each range and safety expectations.

Anyone that wants to become a member must attend the general meeting to become a member.

We do not offer family memberships but the rates for a spouse and/or children are quite reasonable. Please note, immediate family members, including grandchildren, can come as your guest, anytime, if you are with them and always supervise them. Guest that are not immediate family can only come as your guest twice per year.

If you visit our website at <https://www.dbcl.org/> there is a link to our Calendar of Events. That calendar is kept up to date throughout the year. Please use that link to check for club activities before visiting the club.

Our general meeting for new members to join is held on the first Tuesday of each month. The meeting starts at 7:00pm but new members are required to show up at 6:30pm to take care of the paperwork.

Membership costs:

Cost to join Regular Member: \$350.00

Cost to join Spousal Member: \$40.00

Cost to join Scholastic Member (18 - 23): \$50.00

Cost to join Junior Member (17 and under): \$40.00

Cost to join Veteran Member with documentation: \$350.00

Cash, personal check or credit card accepted for payment.

Membership is based on the calendar year - the cost to join is not prorated.

Renewals for the following year:

Spousal Member: \$40.00

Handicapped Member with documentation: \$130.00

Veteran Member with documentation: \$130.00

Our monthly newsletter is available for viewing/downloading from our website.

If you join the club in the months of January through October, your membership goes through to the end of the year with a statement sent to you in December for next year's renewal. If you are joining in the later part of the year, consider joining the club at the November meeting as you will get membership for the balance of the year and all of the next year. We do not accept new members at the December meeting, that meeting is for members only as we elect new officers and board members.

Membership cards and use of the club facilities for new members is granted after attending the Range Safety Briefing held on the 2nd Saturday of each month at 10:00am starting in the club house.
