

## 3D Archery League - 2022

This year we had 22 participants in the 3D Archery League.

There were 3,456 possible points in the individual competition. The first-place person captured 87.6% and the third-place person shot 85.9%. A separation of 59 points. That is a slim margin and close competition.

1<sup>st</sup> Place – Nick Hamel

2<sup>nd</sup> Place – Ryan Dedrickson

3<sup>rd</sup> Place – Matt Tharp

Carlotta McBain repeated her first-place position In the Individual Women category, while Joe Porwoll repeated honors as highest (only) Senior. Hey, I was 6<sup>th</sup> overall.

There were 6,912 possible points in team competition. The first-place team captured 84.7% of the available points with both 2<sup>nd</sup> and 3<sup>rd</sup> held by teams shooting 83.9%. Only 3 points separated 2<sup>nd</sup> and 3<sup>rd</sup> place! Wow, talk about tight competition.

1<sup>st</sup> Place – Six Shooters: Nick Hamel, Jim Hamel & Trevor Reinke

2<sup>nd</sup> Place – Rut Daniels Fan Club: Ryan Dedrickson, Ian Duncan & Andrew Bendtsen

3<sup>rd</sup> Place - Matt Tharp, Steve Watzig & Joe Porwoll

All first-place finishers will receive a trophy and return of entry fees. The rest of us can bask in the glory of a hard-fought competition and try for the gold ring again next year.

Congratulations to all for sharpening their skills for the fall hunting season.
