This is the fifteenth DBCL Wild Game Dinner and Fundraiser. The first was held in February of 2006, 3 weeks after we obtained partial occupancy of the new clubhouse. It was a learning experience! In 2007, this event became the largest fund raiser in DBCL history. In an effort to accommodate the 100+ people that were turned away because of space and to spare our cooks the nightmare of preparing food on a frozen parking lot, we moved the event off site in 2015 and set a new net revenue record. We have upgraded the venue and hope to provide an even better event. We hope you enjoy the food, the camaraderie plus the auction and raffle items and we hope all of you BUY TICKETS for the raffles and BID EARLY and BID OFTEN in the auctions!

There have been many changes at your club in the last fifteen years. We now have over 2,200 members. We have funded many local charities, conservation, wildlife preservation and environmental restoration projects, provided over \$80,000 in collegiate scholarships to qualified individuals majoring in conservation and graduated over 12,000 hunters safety students. We have paid off the clubhouse, classrooms and caretakers house, have new trap and skeet machines, pads, lights and houses, built short handgun ranges - 1 for the Scholastic pistol program, raised the impact berms, installed downrange safety baffling on all ranges, made significant upgrades to our sound reducing panels, drainage and range access, rebuilt the 200 yard pit walls, mined the trap fields, built 2 new and replaced 2 range roofs, repaired the bridge and fixed the parking lots. \$570,000+ of the money needed to pay for these projects came from the Wild Game Dinner. We have added new activities, continued to fund conservation and gun rights organizations and more. We have met all our financial obligations and have continued to give you, our members the best club of it's kind in the State.

Although much of our work is almost done, future projects and investments at DBCL may include:

- A. Prepare for any new Land Acquisition
- B. Install retractable target carriers on the handgun range
- C. Fund local schools, events & organizations
- D. Upgrade the Scout Grounds
- E. Apply sound deadening to additional ranges
- F. Fund pro conservation, environmental and pro-hunting causes
- G. Investigate creating an indoor shooting range

Let's use this Dinner and Fundraiser to help us with these projects. Thank you for coming. Eat well, enjoy your selves and bid on these great items and trips.

John F. Kubichek, Frank Schneider, Tom Sermersheim, Joe McGrath and the Wild Game Dinner Committee

### **2019 Wild Game Dinner Silent Auction Trip Descriptions**

Just because the following trips and services are not on the Live Auction, does NOT indicate that they shouldn't have been there! Each one has the merits to be on the Live Auction but in an attempt to finish the Wild Game Dinner at a reasonable time, we were forced to move some of these spectacular hunts, destinations and services to the Silent Auction. The Argentina wing shooting with Estancia la Criolla is phenomenal! You will catch a smorgasbord of fish on the Seward Alaska Charter. The Pewaukee Lake Fishing is eye opening. Anyone hunting overseas will need the Coppersmith trophy import package and who can resist a booze cruise on Big Cedar Lake or a night in downtown Milwaukee. We will do a brief power point presentation on all of them during the dinner.

#### SA-01 ARGENTINA WING SHOOTING FOR 4 or 2

This is ALWAYS our best bird hunting package! Roberto Druetto of Estancia La Criolla has donated a 6 day (4 hunting days) dove marathon in the Santa Fe Province of Argentina for 4 hunters in 2020 or 2021. You could shoot 1,000 to 1,500 rounds each during the hunt if you wanted to and could stand it. Stay in a stunning private estate with large dining area and generous meals with open bar and a winery near the hunting area. The hunt includes reception at the Santa Fe, Sauce Viejo airport, transportation to the hunting areas, bird boys and 4 days of dove hunting. It does not include international or local airfare (approximately \$1,000 to \$1,100), layovers, gun permits (about \$30 each or use their guns for a \$2 per box fee), license (\$150 each) and ammo at \$13.00 per box. Add ducks, partridge or fishing or hunt water buffalo, blackbuck, axis deer or even capybara at published rates. Extra hunters & observers welcome at \$500 & \$250 per day.
